TO WHOM IT MAY CONCERN

Zaeem Abbas Bukhari was employed by Engineering Consultants (EC) as **Senior Surveyor** in our Site Supervisory Organization, on this intensive Rs.3.6 billion Offshore and Land Development Works contract for Pakistan Navy. He arrived at site on 4 Dec.93, and was on his own request released from his post on 18 May 96.

On this site his breadth of training and experience has widened considerably while supervising International Contractors. As Senior Surveyor he was responsible for all the surveying control work on this multi-disciplinary project, which included as main elements Dredging & Reclamation, Breakwater and Slope Protection work, and Wharf and Piers construction.

Throughout this time, on both day and night field work, and considerable office duties, he has shown commendable technical aptitude, with diligent and painstaking observation and careful record keeping, including data processing on computer. He has been punctual and reliable in his duties, and clear in his communication, and thorough with his tasks at all times. His good spirited attitude made him a valuable member of our site supervision team.

We wish him success on his future career.
